

☞ Integrated wine cabinets

Cave 60 BU DZ D

- Spacious and practical, fits neatly under the worktop
- Capacity to store 42 wine bottles
- Two temperature zones, 4-22°C

Product information

The best of both worlds! This wine cabinet offers plenty of storage space but still fits neatly under the worktop, making it easy to integrate into your kitchen layout. Elegantly designed and with double doors, the cabinet is 60 cm wide and can hold 42 wine bottles of standard 75 cl size. Two temperature zones of 4-22°C allow you to choose the temperature yourself, keeping both red and white wines perfectly ready to serve.

Plenty of space for your wine - with double doors!
