

Product benefits

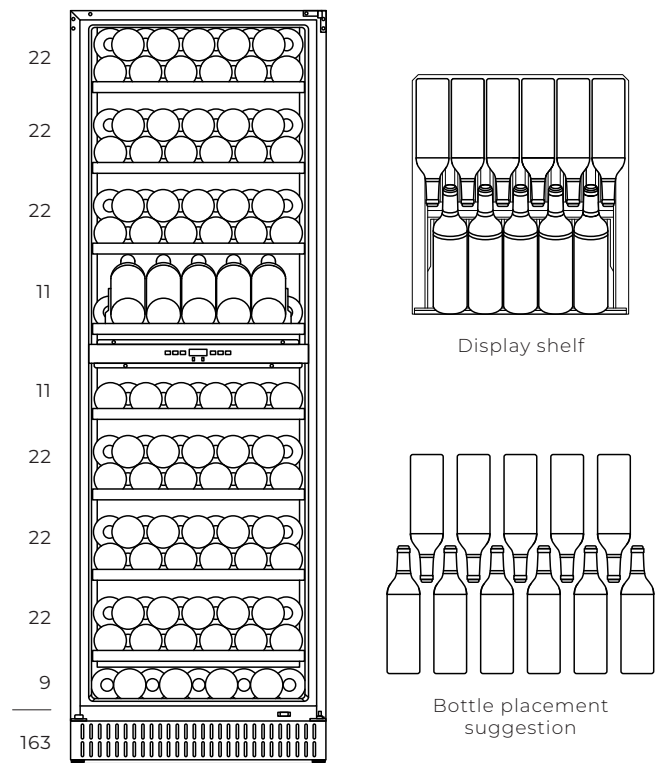

Our largest wine cabinet has space for as many as 163 bottles. This means you have plenty of space to establish and store your wine collection. With its timeless design, wooden racks and smoked safety glass, this wine cabinet presents a truly exclusive look. It features two temperature zones, allowing you to keep both red and white wines at the perfect temperature. The wine cabinet is free-standing, making it simple to position wherever you choose.

- Free-standing and versatile
- Great storage capacity
- Two temperature zones, 4-12°C and 12-22°C
- Display shelf
- Smoked, hardened glass
- Pull-out wooden racks on runners
- LED lights and digital thermostat
- Lockable

Models

Cave 170 DZ

Product code: 12700170
